

Selectmen Meeting March 28, 2013

116 Main Road, Tyringham, 7 p.m.

Christopher Johnson and Peter Curtin were in attendance.

Warrants were signed. Budgets were discussed.

ELECTION:

A discussion ensued about members of the Planning Board being concerned that registered voters may not be aware that vacancies exist on the board from a resignation and a member not seeking re-election. Chris Johnson suggested boards list in their minutes if they have open seats on their board. This would help get the word out if a member is not seeking re-election.

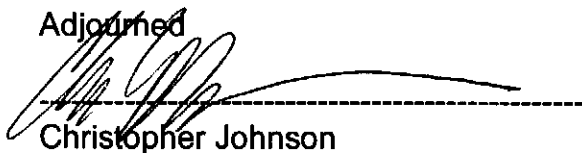

A discussion about the Tyringham Housing Commission's meeting posting and misreported minutes were discussed. A copy of the Ethics Commission Open Meeting Law will be given to each member.

We will call the Division of Fish and Wildlife regarding the Long Mountain Grant. This grant is awarded to Tyringham and Otis.

The Selectmen will request the minutes of the Fire Co. Minutes from September 2012 thru March 2013.

Next meeting will be budgets, Lakeside Drive, and mosquito control.

Adjourned

Christopher Johnson

Peter Curtin

Alan Wilcox. Absent
